

ALLIANCE FOR INNOVATIVE  
EDUCATIONAL REDESIGN

# INNOVATIVE SCHOOLS FAIRE

JANUARY 29, 2025; 6:00 - 8:00 PM  
Hosted at Innovation High School

## WHO IS AIER?

The mission of AIER is to develop, nurture, and support educational innovation in the Inland Northwest. We seek to create and activate schools and networks to transform teaching and learning practice in our region.

In all that we do, there exists a desire to improve the educational experience for students, teachers, parents, and for our community. We pursue nothing less than a worldclass education for every student in our region and beyond; an education that prepares students and schools for success in the 21st Century.

## WHAT IS THIS EVENT?

This event is an opportunity to educate families in Spokane about the choices that are available to them and to offer choice schools of all kinds (public and private) an opportunity to talk about their unique mission and focus with those in attendance. Help us spread the word about our region's innovative options for students!

## Questions? Contact Mike:

 [makalu1@earthlink.net](mailto:makalu1@earthlink.net)

## BOOTH SPACE

All participating schools will have access to (1) 8 foot table and presentation space for a representative from their community to display information about their school.

## COST OF PARTICIPATION

\$50 reserves your table, covers our expenses, and helps us build a thriving, collaborative community of choice schools in the region! [RSVP on EventBrite](#)

## LOCATION

Innovation High School  
811 E Sprague Ave, Spokane, WA 99202
